"NOT WANTED"

Billy West is motoring through the mountains when his car becomes over-heated and he stops at a mountain cabin to get water for the radiator.

Here he meets the girl who is being abused by her step-father because she will not marry the man he has selected for her. Billy interferes and protects the girl. Later he becomes a school teacher in the territory - but he is not wanted and finally is driven out of the town, but when he leaves he takes the girl with him - so all ends well.
